Mega Innovative Entrepreneur Competition " JMFs Think Tank"

To honor and celebrate the spirit of innovation, entrepreneurship, and the dynamic energy of India's startup ecosystem, Vande Mataram Degree College, Dombivli, hosted a Mega Inter-College and School Innovative Entrepreneur Competition on 16th January 2025, in alignment with National Startup Day. The event aimed to encourage young minds from schools, junior colleges, and degree colleges to present innovative business ideas and startup models with the potential to create social impact, generate employment, and contribute meaningfully to the economy. With a total of 31 innovative ideas presented by students from different academic levels, the event witnessed enthusiastic participation, serving as both a showcase of talent and a valuable opportunity for students to engage with professionals from esteemed institutions such as IIT Bombay.
